

Missions Moment:

We have had a full shelter for a bit now and it has been great seeing the families get along so well!

It has been a bit of a challenge finding volunteers to fill van run shifts - thank you to those that have stepped in to help!

Good News!
One family just moved up to 2nd stage!

Family Promise October Statistics

45 families across all programming
9 families placed into permanent housing

Families still in programming:

8 in Rotational/Static shelter
7 in 2nd stage housing
