9 families placed into permanent housing**

### Families still in programming:

6 in 2nd stage housing  
3 in 3rd stage housing  
1 in Aftercare Services**

## Missions Moment:

We had some challenges in housing this month. We started the month with a half empty shelter, filled the shelter, and all of those families moved as well. That's a lot of movement.

A couple of the families we were serving were facing very difficult challenges. Thank you for supporting us as we walked alongside them. We truly couldn't do this without your help!

**GREAT NEWS!**  
After a long, hard journey our mom, dad, and three kids from shelter just secured permanent housing!
